

SUBJECT:
Purchase of Motorola Body Cameras.

MEETING DATE:
October 4, 2022

SUBMITTED BY:
Brian Davis

SUGGESTED ACTION:

Consider approving an Amendment to the Vendor Agreement with Motorola Solutions, Inc. for the purchase of 20 Body Cameras with in-car base kits for the Cherokee County Marshal's Office in the amount of \$71,600.00.

FACTS AND ISSUES:

The Cherokee County Marshal's Office is seeking approval to purchase 20 new body cameras to replace the equipment currently in use. The cost of which has been negotiated down from the original contract price of \$99,343.00 for the current equipment to \$71,600.00 for the new equipment. An agreement is already in place with Motorola Solutions Inc.

Motorola has also agreed to keep the upfront costs for the hardware, accessories, implementation and subscription fee to remain within the annual budget of \$20,265.00 for year 1. The balance will be divided equally over years 2 through 5 at \$12,833.75, totaling \$71,600.00 over a 5 year period.

Funds are included in the Animal Control & Code Enforcement annual small equipment budgets.
