

SUBJECT:

**Public Hearing - Linden Lane Abandonment,
District 3.**

MEETING DATE:

March 7, 2023

SUBMITTED BY:

Brett Buchanan

SUGGESTED ACTION:

Conduct a Public Hearing to receive comments from the public regarding the abandonment of a portion of Linden Lane, located in the VCCI community.

FACTS AND ISSUES:

The homeowners along Linden Lane have requested that Cherokee County abandon Linden Lane in the VCCI community. Linden Lane is approximately 180 feet long; beginning at Myrtle Road to the dead end. All three homeowners that have access to Linden Lane have provided a signed agreement between all parties that maintains legal access to each property owner since the property will be divided differently than a typical abandonment.
