SUGGESTED ACTION:

Consider approving Amendment Three to Agreement with SiteMed North America, LLC for one additional year at the rate of \$290.00 per firefighter physical for Fire & Emergency Services for an estimated contract value of \$130,500.00.

FACTS AND ISSUES:

SiteMed was awarded a contract in 2016 as part of a competitive RFP process for annual and new hire firefighter physicals. SiteMed provides on-site physicals by trained medical professionals in accordance with the standards set forth in NFPA 1582. Fire would like to extend the current agreement for one additional year.

Fire has approximately 450 members and the cost per physical is \$290.00. The estimated annual contract value is approximately \$130,500.00. This is a budgeted item.
