

SUBJECT:

**Amendment 2 to Design Services Agreement for
Hickory Road and Stringer Road Sidewalk
Project.**

MEETING DATE:

June 4, 2024

SUBMITTED BY:

Jim Wilgus

SUGGESTED ACTION:

Consider approval of Amendment 2 to the Design Services Agreement with Volkert, Inc., for additional survey, sidewalk design and pond analysis on Stringer Road, under the Hickory Road and Stringer Road Sidewalk Project, in the amount of \$66,140.00.

FACTS AND ISSUES:

Hickory Road runs between New Light Road and SR 140 in southeast Cherokee County. Stringer Road runs between Hickory Road and SR 140. Residential development over the last decade has included the installation of curb, gutter and sidewalk along most of the road, but there are still some locations lacking sidewalk.

The reason for this amendment is that after the design of the original project was complete and the project was put out to bid for construction, Cherokee County asked Volkert to design an additional 180 feet of sidewalk along the south side of Stringer Road to the intersection with SR 140, as well as perform a pond analysis for the Meadows at Idylwide detention pond site.

The additional sidewalk designed under this agreement will be constructed and installed under the construction contract that was awarded at the May 21, 2024 Board of Commissioners meeting.
