

Cherokee County, Georgia  
Agenda Request

---

Item # 12.6

**SUBJECT:**

**Network Infrastructure Ongoing Maintenance.**

**MEETING DATE:**

November 19, 2024

**SUBMITTED BY:**

Kristi Coleman

---

**SUGGESTED ACTION:**

Consider request from IT Department for renewal of Network Infrastructure Ongoing Maintenance Agreement for County networking equipment in the amount of \$165,687.32 for an additional one-year term.

---

**FACTS AND ISSUES:**

The IT Department requested competitive quotes for maintenance on several pieces of network equipment hardware in use throughout the County. The County maintains spare equipment, making it viable to go with the cost-effective option. The cost of this item is included in the IT Department FY2025 budget.
