**SUGGESTED ACTION:**

Consider approval of a request from the IT Department for the purchase of wireless access points for the Bluffs Administration Building in the amount of \$26,728.00.

---

**FACTS AND ISSUES:**

The wireless access points at the Bluffs Administration Building need to be replaced as a result of the equipment coming to its end of life. The replacement purchase will include the equipment licensing for a three-year term. The equipment cost is \$20,670.00, and the licensing cost is \$6,058.00 annually, to be paid from the IT Department annual budget; total cost is \$26,728.00.

Capital - \$20,670.00 - 11535110-542400

IT Budget - \$6,058.00 - 11535000-531660
