

SUBJECT:

**Public Hearing for a Local Amendment to the
Georgia State Minimum Standard Plumbing
Code.**

MEETING DATE:

February 20, 2024

SUBMITTED BY:

Margaret Stallings

SUGGESTED ACTION:

Hold a public hearing to consider transmittal of a local amendment to the Georgia State Minimum Standard Plumbing Code to the Georgia Department of Community Affairs for review and comment.

FACTS AND ISSUES:

The Metropolitan North Georgia Water Planning District (MNGWPD) mandates that Cherokee County adopt an ordinance regarding water efficiency code requirements. Eventual adoption of this ordinance will allow Cherokee County to remain in compliance with the 2022 Water Resource Plan in relation to ensuring prohibiting water waste and encouraging the efficient use of water.

The first step in the process is to hold a public hearing on the proposed ordinance and consider transmitting the document to the Georgia Department of Community affairs for their review and recommendation.
