

Cherokee County, Georgia
Agenda Request

Item # 12.14

SUBJECT: **Stormwater Management Agreement with Cherokee County School System.** **MEETING DATE:** May 6, 2025

SUBMITTED BY:
Geoff Morton

SUGGESTED ACTION:

Consider request for a Stormwater Management Agreement between Cherokee County and the Cherokee County School System.

FACTS AND ISSUES:

This master Stormwater Management Agreement is between Cherokee County and the Cherokee County School System and address the design, installation and on-going maintenance of all stormwater facilities on Cherokee County School System campuses.

Execution of the agreement allows the Cherokee County School System to design, build and maintain stormwater management facilities on all school campuses. These facilities will be constructed to County standards, will meet all stormwater ordinances and regulations and will be inspected and maintained annually by the School System to ensure continued functionality. Any and all reports will be made available to Cherokee County upon request by the Stormwater Management Department.
