

**SUBJECT:**

**Surplus Items for Information Technology  
Department from the Justice Center.**

**MEETING DATE:**

July 18, 2023

**SUBMITTED BY:**

Kristi Coleman

---

**SUGGESTED ACTION:**

Consider approval to surplus several computers, monitors, and miscellaneous items for the Information Technology Department from the Justice Center.

---

**FACTS AND ISSUES:**

Equipment listed has reached end of life and has been replaced by more advanced technology to help improve efficiency of the departments. Once approved for surplus, the IT Department will properly dispose of the equipment.
