

SUBJECT:

**Roadway Acceptance - Owl Creek Parkway and
Etowah Ferry Drive.**

MEETING DATE:

May 6, 2025

SUBMITTED BY:

Katie Parker

SUGGESTED ACTION:

Consider request from Engineering Department for final acceptance of all public rights-of-way, roadways, and appurtenant drainage structures on Owl Creek Parkway and Etowah Ferry Drive.

FACTS AND ISSUES:

The Cherokee County Engineering Department has reviewed the development plans and supervised the construction of Owl Creek Parkway and Etowah Ferry Drive. Based upon their recommendation this project meets the development standards of Cherokee County and it is recommended that all public rights-of-way, roadways, and appurtenant drainage structures be accepted for County maintenance. Included are:

Owl Creek Parkway 917.40 LF

Etowah Ferry Drive 709.30 LF
