

**Cherokee County, Georgia  
Agenda Request**

---

**Item # 12.3**

**SUBJECT:** **MEETING DATE:**  
**Intergovernmental Agreement with City of** May 6, 2025  
**Waleska for 2025 Resurfacing Project.**

**SUBMITTED BY:**  
Geoff Morton

---

**SUGGESTED ACTION:**  
Consider Intergovernmental Agreement with City of Waleska for 2025 Resurfacing Project.

---

**FACTS AND ISSUES:**  
The City of Waleska is wanting to resurface the east side of Grady Street and Byers Street, a total of 0.53 miles, in 2025 using the City's GDOT LMIG and LRA funds.

They have contacted the County to request that the County complete the work using County Public Works forces.

Per the IGA, the County Public Works Department will complete the resurfacing using in-house forces. The City of Waleska will reimburse the County for fuel and asphalt material costs. The estimated cost to the City of Waleska is \$48,450.00.

The City of Waleska Council approved this IGA at their meeting of April 7, 2025.
