

SUBJECT:

**Second Amendment to Design Services
Agreement - I-575 at Towne Lake Parkway
Interchange Improvements Project.**

MEETING DATE:

August 5, 2025

SUBMITTED BY:

Brett Buchanan

SUGGESTED ACTION:

Consider request from SPLOST/Roadway Department for Second Amendment to the design services agreement with Arcadis US, Inc., for additional design services for the I-575 at Towne Lake Parkway Interchange Improvement Project, in the amount of \$89,013.42.

FACTS AND ISSUES:

This project includes design engineering for improvements to the interchange of I-575 and Towne Lake Parkway. The project is a Local Administered Project (LAP) that follows all GDOT processes, including the preparation of a Categorical Exclusion. All design work has been in accordance with the current edition of the GDOT Plan Development Process (PDP), Electronic Data Guidelines (EDG), Plan Presentation Guide (PPG), GDOT Standard Specifications and Standards & Details, GDOT Bridge Manual, Environmental Procedures Manual (EPM) and GDOT Policy Manual.

The design is in progress. The updates covered by this Second Amendment to the design services agreement include supplementary Preliminary Plan design services:

1. Updated preliminary plan, profile, drainage, staging plan sheets and MS4 report in accordance with the recommendations of the pavement evaluation study and existing substandard bridge vertical clearance requirements.
2. Lighting plans to replace existing lighting poles being impacted by the proposed design.

This project is SPLOST funded.
