

SUBJECT:

**Union Hill Road at Lower Union Hill Road
Roundabout Project - Construction.**

MEETING DATE:

December 20, 2022

SUBMITTED BY:

Jim Wilgus

SUGGESTED ACTION:

Consider award of a standard construction agreement for the construction of the Union Hill Road at Lower Union Hill Road Roundabout Project to Ohmshiv Construction, LLC, the low bidder, in the total amount of \$1,936,636.36.

FACTS AND ISSUES:

The intersection of Union Hill Road at Lower Union Hill Road is currently a three-way intersection with Lower Union Hill Road stop controlled and Union Hill Road free flowing. Old Jones Road intersects Lower Union Hill Road approximately 50 feet from the intersection with Union Hill Road and is also stop controlled. The intersections are skewed. Cherokee County desires to construct a four-leg roundabout at this location to improve the safety of the intersection.

A total of six (6) construction bids were received for the project.
