SUGGESTED ACTION:

Consider approval of Fortinet equipment upgrades for Fire Stations, the Hickory Flat Gym, and the Sheriff's Office Garage for the total cost of \$30,790.52 to be paid with ARPA funds.

FACTS AND ISSUES:

In order to complete cybersecurity initiatives, it is recommended that the County upgrade firewall equipment. This upgrade will enable additional security logging features at 17 Fire Stations, the Hickory Flat Gym, and the Sheriff's Office Garage. This equipment purchase will be paid with ARPA funds for a total cost of \$30,790.52.
