Item # 12.8

SUBJECT:
Collection Agreement for Clerk of Courts.

MEETING DATE:
August 5, 2025

SUBMITTED BY:
Brooke Wilson

SUGGESTED ACTION:

Consider request from Clerk of Courts for an agreement with Integral Recoveries to recoup court ordered unpaid fines and fees at no cost to the County.

FACTS AND ISSUES:

The Clerk of Courts is requesting approval for an agreement with Integral Recoveries to recoup court ordered unpaid fines and fees at no cost to the County.

There are currently substantial court ordered fines and fees that are outstanding. This request is being made to collect the outstanding balances with the collection agency - Integral Recoveries. There is a 30% fee added onto any outstanding balances, so the entire balance due to the appropriate agencies will be collected at no cost to the County.

This request will assist in bringing additional funds into the County, to restitution victims and other state entities that are owed these funds.
