**SUGGESTED ACTION:**

Recognition of the artists and the announcement of the winners of the Second Annual Cherokee County High School Art Competition.

---

**FACTS AND ISSUES:**

Cherokee County hosted our second annual high school art competition in March & April in partnership with the Cherokee County School District and Sequoyah Regional Libraries. Our sponsors included The Friends of the Library, the Towne Lake Rotary Club and Blick Art Materials. Judges this year were Katie Caldwell, Harmony Reid and Frank Reynolds.

Twenty-four artists submitted art for consideration this year. A reception for judges, artists, teachers and families was held in Victory Hall at The Buzz on March 14. Art was displayed at RT Jones and Woodstock libraries through March 26. Art could also be viewed virtually at Recreation & Parks facilities during the same time period.

Winners will be announced tonight including First, Second, Third Place as well Cherokee's Choice award for the "fan favorite".
