

**SUBJECT:**  
**Alcohol License Residency Waiver Requests.**

**MEETING DATE:**

**SUGGESTED ACTION:**

Consider approval of resolutions to waive the alcohol licensee residency requirements for alcohol licensees of retail distilled spirits package stores.

---

**FACTS AND ISSUES:**

These resolutions waive the alcohol licensee residency requirement. The County's ordinance requires that a licensee who receives a license for alcohol sales at an establishment must be a resident of the County. The alcohol licensees of these distilled spirits retail package establishments reside outside of Cherokee County.
