

SUBJECT:

**Vehicle Purchase for Recreation and Parks
Department.**

MEETING DATE:

February 21, 2023

SUBMITTED BY:

Amy Scott

SUGGESTED ACTION:

Consider approval to purchase two (2) Ford Bronco Sport SUVs from the two lowest quotes, one from Lake Hartwell Ford in the amount of \$33,257.00 and one from Atkins Ford in the amount of \$33,280.00 for a total amount of \$66,537.00 for the Recreation and Parks Department.

FACTS AND ISSUES:

Parks is in need of two small SUV's. Pricing is similar to the Ford Escape and less than a Ford Explorer. The first vehicle will support the additional staff at the new LB "Buzz" Ahrens Jr. Recreation Center and the second will replace an existing fleet vehicle in Parks. Funding will come from SPLOST. Both vehicles are below MSRP and 10 different dealerships were contacted with 6 dealerships providing quotes.

The recommendation is to award purchase orders to the two lowest quotes from Lake Hartwell Ford at \$33,257.00 and Akins Ford at \$33,280.00.
