The funds are awarded to the DHS by the FTA through a grant for Federal 5310/5317 program funds - Elderly Persons and Persons with Disabilities. The funds allow CATS to provide transportation for Senior Services and Empower Cherokee clients.

DHS has awarded Cherokee County - CATS a contract in the amount of \$471,543.00; Federal share in the amount of \$360,052.80; State share in the amount of \$884.90 and \$108,000.00 in other federal funds. The contract requires a local match of \$2,605.30.
