

SUBJECT:

**Second Round of Awards of County Federal
ARPA Funds to Non-profit Agencies.**

MEETING DATE:

February 21, 2023

SUBMITTED BY:

Geoff Morton

SUGGESTED ACTION:

Consider second round of awards of County Federal ARPA Funds to Non-profit Agencies for one-time capital projects for a total of \$2,500,000.00.

FACTS AND ISSUES:

The County issued a request for proposals to Non-profit Agencies in order to help facilitate the use of \$6,000,000 in ARPA funds that the County has earmarked for homelessness or assistance to impacted non-profit agencies. The RFP specified that the funds were to be used for on-time capital projects.

The County requested that the project amounts be a minimum of \$25,000 up to a maximum project amount of \$1,000,000.

The County received 29 project requests from 13 Non-profit Agencies. Staff reviewed all of the requests and came up with a second round of recommendations. During this second round it is recommended that the Board move forward with \$2,500,000 of requests for one-time capital projects.

The next step will be to enter into individual MOU's with each non-profit organization. Once we have received those executed MOU's they will again be presented to the Board for approval during a regular meeting.

Successful projects include:

American Legion/Cherokee Homeless Veterans - \$700,000

Canton Housing Authority - Oakside Project - \$500,000

Canton Housing Authority - Tippens Project - \$600,000

MUST Ministries - Tippens Project - \$700,000
