**SUGGESTED ACTION:**

Call for a Public Hearing for a request by Next Step Ministries to modify zoning conditions pertaining to Case # 85-10-079. The Public Hearing would be advertised for the January 2, 2024, Board of Commissioners Meeting.

---

**FACTS AND ISSUES:**

Next Step Ministries, Inc. filed a petition requesting the Cherokee County Board of Commissioners modify conditions of case number 85-10-079 to allow for construction of a new two-story building consisting of 10,920+/- square feet. Conditions of Case # 85-10-079 state: Approved for compatible NC uses as listed on Exhibit "A"; building limited to no more than 10,000 square feet, total; and the 30-foot required buffer must be maintained to full screening standards. Should additional plantings be required, juniper-type trees shall be planted 20 feet on center to accomplish the required screening. The applicant recently requested a similar modification for a proposed three-story building in May 2023, but requested for the case to be withdrawn without prejudice on 6/9/2023 which the Board of Commissioners accepted.
