MEETING DATE:
January 7, 2025

SUBMITTED BY:
Tye Beavers

SUGGESTED ACTION:

Consider request from Fleet Services for approval of an agreement with Jeff Dobson & Associates to manage the County's annual surplus vehicle and equipment auction for a period of three years.

FACTS AND ISSUES:

Each year surplus county vehicles and equipment are sent to auction. Jeff Dobson & Associates has managed the process for many years and provided excellent service. This agreement is for a term of three years; 2025, 2026 and 2027. Jeff Dobson & Associates does not charge the County a seller's commission for vehicles and charges 10% for all other items, and their buyer's premium on everything is 13%. Other companies that provided proposals to the County charge a seller's commission ranging from 10-25%, plus a buyer's premium of 15-21%.
