

SUBJECT:
Axon Enterprises Agreements.

MEETING DATE:
December 20, 2022

SUBMITTED BY:
Kathy Hall

SUGGESTED ACTION:

Consider approval of a five-year agreement with Axon Enterprises for a taser system for the Sheriff's Office in the amount of \$527,647.55. An additional agreement the Sheriff's Office needs to enter with Axon Enterprises will secure the taser cartridge pricing.

FACTS AND ISSUES:

The Sheriff's Office needs to enter into a five-year agreement to replace the current taser system which has a limited useful life. The system will be used by the Adult Detention Center and Field Operations. The five-year agreement is priced at \$105,529.51 per year.

In order to secure future pricing on taser cartridges, the Sheriff's Office needs to enter into a second, separate agreement with Axon Enterprises. The second agreement will lock the taser cartridge pricing.
