

Cherokee County, Georgia
Agenda Request

Item # 11.5

SUBJECT:
Road Name Change.

MEETING DATE:
September 17, 2024

SUBMITTED BY:
Cherokee Admin

SUGGESTED ACTION:

Consider request for a resolution to change the name of an existing roadway from Sawyer Farm Road to Lewallen Farms Road.

FACTS AND ISSUES:

Sawyer Farm Road is a private drive with six assigned addresses. There is a subdivision named 'Sawyers Farm' in Waleska that is not connected with the currently named Sawyer Farm Road which also has a Waleska address. This could potentially lead to an emergency response issue. GIS has reviewed the request and recommended the name change to Lewallen Farms Road.
