

SUBJECT:

**Resolution to Increase Trial Juror
Compensation.**

MEETING DATE:

April 2, 2024

SUBMITTED BY:

Terri Seay

SUGGESTED ACTION:

Consider resolution to adopt the recommendation made by the Grand Jury during the September 2023 term, to increase the trial juror compensation rate to thirty-five dollars (\$35.00) per day.

FACTS AND ISSUES:

During the September 2023 term of the Grand Jury, the Grand Jury issued a recommendation that the compensation for trial jurors be increased from twenty-five dollars (\$25.00) per day to thirty-five dollars (\$35.00) per day. Providing for such an increase to trial juror pay will allow Cherokee County to remain consistent with the pay rate for surrounding jurisdictions for such service. The increase in trial juror pay will take place upon adoption of this resolution.
