

**SUBJECT:**  
**Comcast Internet/WAN Renewal.**

**MEETING DATE:**  
May 2, 2023

**SUBMITTED BY:**  
Kristi Coleman

---

**SUGGESTED ACTION:**

Consider approval of a Comcast Enterprises Services Master Service Agreement renewal to increase network bandwidth and extend the term for another five (5) years for the total monthly cost of \$23,196.41

---

**FACTS AND ISSUES:**

On April 7, 2020, the Board of Commissioners approved a renewal agreement with Comcast Enterprise Services to provide internet and network services to County facilities. The agreement contained a provision to revisit pricing and performance at the end of year three.

Review and negotiations completed with Comcast resulted in the attached configuration to allow for needed internet speed increases at the Fire Training Center, Freehome Precinct, Waleska Precinct, Bridge Mill Precinct, K9 Office and the Aquatic Center.

The total value of this five (5) year renewal contract is \$1,391,784.60; a monthly cost of \$23,196.41.
