

SUBJECT:

**Rhine Road Roadway Improvement Project -
Construction.**

MEETING DATE:

October 4, 2022

SUBMITTED BY:

Jim Wilgus

SUGGESTED ACTION:

Consider award of a Standard Construction Services Agreement to Bartow Paving Company, Inc., the low bidder, for the construction of the Rhine Road Roadway Improvement Project, in the amount of \$2,747,862.71.

FACTS AND ISSUES:

Rhine Road is a local, substandard roadway located in the western portion of Cherokee County, near the Bartow County line. It begins at SR 20 and continues south approximately 1.0 mile before ending at Upper Sweetwater Trail. It is characterized by narrow pavement, poor drainage and poor vertical alignment.

Cherokee County intends to improve Rhine Road to bring it up to current standards. The minimum pavement width desired is 20 feet with a design speed of 25 MPH. Vertical and horizontal alignment will be modified to reach current standards.

Bids were received from five (5) contractors.
