

SUBJECT:

**Subdivision Acceptance - Governor's Preserve
Units 7A and 7B.**

MEETING DATE:

January 10, 2023

SUBMITTED BY:

Katie Parker

SUGGESTED ACTION:

Consider final acceptance of all public rights-of-way, roadways, and appurtenant drainage structures in the Governor's Preserve Units 7A and 7B subdivision.

FACTS AND ISSUES:

The Cherokee County Engineering Department has reviewed the development plans and supervised the construction of the Governor's Preserve Units 7A and 7B subdivision. Based upon their recommendation, this project meets the development standards of Cherokee County and it is recommended that all public rights-of-ways, roadways, and appurtenant drainage structures be accepted for County maintenance. Included are:

Harmony Drive	1,942 LF
Perdue Trail	725 LF
Deal Court	537 LF
