

**SUBJECT:**

**Resolution authorizing types of payment  
accepted by Tax Commissioner's office.**

**MEETING DATE:**

December 20, 2022

**SUGGESTED ACTION:**

Consider resolution to authorize the Tax Commissioner's office to accept personal, company, certified, treasurers, and cashier's checks; and, to authorize the acceptance of bank, postal, and express money orders as well as credit/debit cards in payment for Tax and Tag fees.

---

**FACTS AND ISSUES:**

In previous years, a letter requesting authorization for such payments was submitted by the Tax Commissioner and approval of such letter was memorialized in the Board of Commissioners meeting minutes.

The proposed resolution will allow for the various payment types to be accepted by the Tax Commissioner's office with each new Tax Commissioner elected to the position without having to submit a letter each time.
