

SUBJECT:

**Amendment to Agreement with T&T Uniforms
for Fire Uniforms.**

MEETING DATE:

October 18, 2022

SUBMITTED BY:

SUGGESTED ACTION:

Consider approval of Second Amendment to the Agreement with T&T Uniforms, Inc. to extend the length of the contract an additional year with a 9% average price increase.

FACTS AND ISSUES:

T&T Uniforms, Inc. was awarded the contract for Fire Uniforms in 2020 with the best overall pricing from competitive proposals. The original agreement has options to renew each year with approved pricing changes.

It is recommended to extend the length of the current agreement one additional year with an average 9% price increase. Pricing was re-evaluated with quotes from other vendors and T&T Uniforms remains the overall lowest cost to the County for our most frequently purchased items.

CCFES has purchased approximately \$165,000 from T&T Uniforms in fiscal 2022. For fiscal year 2023 Fire Operations has budgeted \$330,000 for uniforms and EMS has budgeted \$28,000 for uniforms. Orders will be placed on an as-needed basis only, paying only for items received.
