SUGGESTED ACTION:

Consider Amendment Five to the Construction Agreement for the SR 140 at East Cherokee Drive Intersection Improvement Project, in the amount of \$129,112.85 with Summit Construction & Development, LLC.

FACTS AND ISSUES:

The SR 140 at East Cherokee Drive Intersection Improvement Project is substantially complete. It includes the construction of additional right-turn and left-turn lane capacity for all approaches to the intersection.

Summit Construction & Development, LLC, is under contract for the construction of the SR 140 at East Cherokee Drive Intersection Improvement Project.

As an addition to the contract, Cherokee County would like to extend the sidewalk on the south side of SR 140 west to White Columns Drive. The additional work includes the construction of sidewalk, curb and gutter, storm drainage and guardrail.

The Engineering Department has reviewed the request and recommends that it be approved.
