SUGGESTED ACTION:

Consider approval of request from Marshal's Office to purchase one new Ford Explorer from Wade Ford at a price of \$42,000.00 for Code Enforcement and one new Chevrolet Silverado from Hardy Chevrolet at a price of \$48,830.00 for Animal Control; and authorize a corresponding budget amendment for use of funds from insurance recovery towards purchase.

FACTS AND ISSUES:

The Marshal's Office is in need of two vehicles; one for Code Enforcement and one for Animal Control. Quotes were requested from three dealers for a Ford Explorer Police Interceptor and for a Chevrolet Silverado. The lowest quote for the Ford Explorer Police Interceptor is \$42,000.00 from Wade Ford and the lowest quote for the Chevrolet Silverado is \$48,830.00 from Hardy Chevrolet. Both dealers are the state contract holders for those vehicles.

	Ford Explorer Interceptor	Chevrolet Silverado
Wade Ford	\$42,000.00	
Hardy Chevrolet		\$48,830.00
Brannen Motors	\$46,000.00	\$49,900.00
Hardy Family Ford	\$46,605.00	
Day's Chevrolet		\$53,605.72

A portion of the funding for this purchase, \$30,227.00, will come from the Marshal's Office insurance recovery account. The remaining funding, \$60,603.00, will come from SPLOST funds. A budget amendment is required to transfer the insurance recovery funds to the Marshal's Office capital account.
