Agenda Request

Item # 12.7

SUBJECT:
Workers' Compensation Excess Insurance.

MEETING DATE:
September 17, 2024

SUBMITTED BY:
Cindy Pierce

SUGGESTED ACTION:

Consider request from Risk Management for approval for purchase of Workers' Compensation Excess Insurance with Midwest Employers Casualty Company in the amount of \$264,992.00. This is a 26% decrease in premium from last year.

FACTS AND ISSUES:

As a Self-Insurer for the Workers' Compensation employer, the County is required by the State Board of Workers' Compensation to purchase an excess workers' compensation policy. The County's insurance broker, AJ Gallagher, obtained a competitive quote for \$264,992.00 from Midwest Employers Casualty Company. This policy will be in effect for FY2025.
