

**SUBJECT:**

**Bucket Truck Purchase for Transportation  
Department.**

**MEETING DATE:**

May 6, 2025

**SUBMITTED BY:**

Brett Buchanan

---

**SUGGESTED ACTION:**

Consider request from Transportation Department to purchase a 2018 Ford F-550 Altec AT40G Bucket Truck for the Transportation Department from Altec NUECO of Birmingham, AL, at a price of \$96,500.00 including delivery.

---

**FACTS AND ISSUES:**

The Transportation Department is requesting to purchase a bucket truck to start performing some routine traffic signal maintenance work and small equipment installations. The Transportation Department obtained quotes seeking a used Altec Bucket Truck that did not require a CDL, preferably under 100,000 miles, with a model AT40G lift or equivalent. The selected vehicle has 72,570 miles and is located in Mt. Airy, NC. The quotes were reviewed by the Procurement Department. The seller is currently holding the vehicle pending approval by the Board of Commissioners and expected delivery would be the end of May.

Funding for this purchase comes from SPLOST 2024 for Misc. Traffic Signal Maintenance.
