**SUGGESTED ACTION:**

Consider approval of an Agreement with North Cherokee Electrical, Inc, to perform Traffic Signal Maintenance and Repairs, countywide, as requested and as needed.

---

**FACTS AND ISSUES:**

Cherokee County uses the services of a traffic signal contractor to provide the County with on-call traffic signal maintenance when requested and where needed on existing Cherokee County maintained traffic signals.

Three (3) companies submitted proposals with North Cherokee Electrical being the highest-scoring proposal. The initial term of the Agreement will be one (1) year, with two (2) automatic one-year renewals; maximum Agreement term is three (3) years.

The annual traffic signal maintenance budget for Cherokee County is \$78,000.00.
