

SUBJECT:

**Remove and Replace Concrete Slab at the
Aquatic Center.**

MEETING DATE:

November 21, 2023

SUBMITTED BY:

Tye Beavers

SUGGESTED ACTION:

Consider approval of a Professional Services Agreement with Curb-Tech for removal and replacement of a concrete slab at the Cherokee Aquatic Center, in the amount of \$96,465.00.

FACTS AND ISSUES:

The Aquatic Center has a concrete slab that has settled over time, leaving a drop of several inches and leaving that entrance no longer ADA-accessible. The Recreation and Parks department reached out to four concrete contractors for quotes, and two responded. The apparent low bidder was unable to provide proof of insurance at the required County levels. Staff is therefore recommending award to the second lowest and only other proposal, Curb-Tech.

Funding for this repair will come from SPLOST.
