

Cherokee County, Georgia
Agenda Request

Item # 12.12

SUBJECT:

**Resolution to Adopt Grand Jury
Recommendation for Bailiff Compensation.**

MEETING DATE:

September 17, 2024

SUBMITTED BY:

Cherokee Admin

SUGGESTED ACTION:

Consider request by the Court Administrator to adopt a resolution accepting the Grand Jury recommendation for bailiff compensation in the amount of \$125.00 per day beginning with FY2025.

FACTS AND ISSUES:

In December of 2023, the Grand Jury recommended an increase in bailiff pay from \$85 per day to \$125 per day to be more in line with what surrounding counties are paying their bailiffs. The money was not in the budget at that time, so the Court Administrator waited until the new budget year, FY 2025, to formally request implementation of the increase. The additional bailiff compensation is included in the FY 2025 budget for Court Administration.
