STAFF REPORT: TR Transportation Consulting, Inc's. STA No. 4, in the amount of \$87,616.00 and 180 calendar days, provides for professional services associated with design of traffic signal modification improvements to the Forum Boulevard and SR 82 (MLK Blvd.) intersection. This intersection improvement is necessary to accommodate traffic operations associated with Amazon's new Project Rainforest development and nearby/adjacent developments including Lexington Palms apartments and North Forum Reserve. The City of Fort Myers is responsible for modifying the north side of this signal per prior Developer Agreements between the City of Fort Myers and two master entities - C-Hack, LLC. and Keystone Creek, LLC.
