### BACKGROUND INFORMATION:

On June 18, 2018, Council approved a Continuing Contract Agreement between the City of Fort Myers and Vantage Construction Services, LLC for Construction Manager-at-Risk services for a period of five (5) years.

Lift Station No. 87, located at the northeast corner of San Marcos and San Pablo (Ward 5) and Lift Station No. 89, located along the north side of New York Avenue between Whitehead Creek Loop and Marsh Avenue (Ward 1) are in need of rehabilitation. This rehabilitation includes recoating of wet wells, installation of SCADA telemetry and replacement of pipes, valves, pumps and other appurtenances.

Supplemental Task No. 2 includes the rehabilitation of Lift Station No. 87 at a cost of \$94,433.50 and Lift Station No. 89 at a cost of \$114,745.50 for a contract total of \$209,179.00 with a total contract time of 155 contract days to final completion.
