EXPLANATION:

Request approval of second amendment to agreement, and extension of contract Between the City of Bradenton and Axon Enterprise, Inc. with respect to the Fusus Enterprise RTCC system.

Axon Enterprise, Inc. acquired Fusus in early 2024. The Fusus Enterprise platform provides the Bradenton Police Department with the capability to operate its Real Time Crime Center using CAD information, public and private video camera footage, and other useful data. Axon's acquisition of Fusus further enhances officer safety by allowing for direct integration with the Axon Body Worn Cameras (BWCs) for correlating officer location, monitoring BWC recording status, and accessing BWC live streaming, coupled with cloud-based storage utilizing Axon's Evidence.com.

FINANCIAL IMPACT:

Years 3-5 would need to be budgeted for in the future. Extending the agreement would provide a discount of approximately \$75,000+ per year and the equipment was provided at no cost.

ATTORNEY REVIEW/RECOMMENDATION:

Paul Driscoll reviewed the addendum.

SUGGESTED MOTION:

Motion to approve the Second Amendment to the Agreement with Axon Enterprise, Inc.
