SUBJECT: City Centre Capacity Analysis for Sanitary and Water Systems

SUGGESTED ACTION: Approval of task order.

Is this item Quasi-Judicial?

No

Does this item require a public hearing?

No

EXPLANATION:

The City of Bradenton (City) requested quotes from three firms from the Continuing Services Agreements dated March 22, 2023, that could perform a capacity analysis report regarding the sanitary sewer collection and water distribution infrastructure that provides service to the City of Bradenton City Centre property located at 101 Old Main Street in Bradenton, FL 34205. The City is considering redevelopment of a portion of this parcel and has a need to assess the sanitary sewer and potable water infrastructure currently providing service to the site.

The City reached out to three different firms who could provide this service and from those three, two submitted a proposal for City review and one stated they would not have the time to take on such a project at this time. After reviewing the 2 submitted proposals the City has decided to move forward with the proposal submitted by Jacobs Engineering Group.

FINANCIAL IMPACT:

To be funded under GL account 30158200-563000-CHALL.

ATTORNEY REVIEW/RECOMMENDATION:

N/A - Continuing Service Contract was approved by Attorney prior to Council approval.

SUGGESTED MOTION:

Motion to approve the task order with Jacobs Engineering Group for the capacity analysis report.
