No

**EXPLANATION:**

Interlocal Agreement with West Manatee Fire Rescue District ("WMFRD") to allow the City of Bradenton ("City") to extract fuel for the City's emergency vehicles from the West Manatee Fire Rescue District's Fueling Facility. WMFRD's Fueling Facility is situated in a location that is closer to many of the City's fire stations and emergency responders than the location where the City has been previously extracting fuel for the City's emergency vehicles. The City shall reimburse WMFRD for the City's fuel costs and any associated expenses relating to City employee fuel withdrawals from the Fueling Facility.
