EXPLANATION:

The applicant submitted a Special Use application requesting permission to allow an Indoor Amusement Center and Lounge at 412 12th Street West. In addition to the subject request, the applicant submitted an alcoholic beverage license application (AB.24.0226) for beer and wine sales. According to the submitted application materials, the proposed use will offer pinball machines and/or retro video games in a family friendly arcade environment. In addition, easily prepared food along with beer and wine are planned to be served.

Staff had originally recommended that they apply for the lounge designation as a precautionary measure in the event that beer and wine sales exceeded non-alcoholic beverages and food. The applicant has now withdrawn that request as they do not feel that the beer and wine sales will exceed non-alcoholic receipts.

An amended list of conditions of approval has been drafted, agreed to by the applicant and submitted in this package for review by City Council.

Planning Commission met on February 21, 2024, and recommended approval of Resolution 24-20 as submitted (vote 6-0). City Council heard this request at the April 10, 2024, meeting and continued the public hearing to the April 24, 2024 meeting.
