EXPLANATION:

City Council adopted Resolution 23-70 on September 13, 2023, which changed the costs for some solid waste services provided to City residents. It was found that the resolution failed to include the correct amounts in the fee schedule, even though the residents had been charged the correct amount ever since. The only adjustments made were to Section 1.i to \$16.34 and Section 1.h to \$15.75.

Please note that these revisions will not increase or decrease any fees associated with the services listed in the resolution. The revisions were to only correct the scrivener's error in Resolution 23-70.

FINANCIAL IMPACT:

None.

ATTORNEY REVIEW/RECOMMENDATION:

Attorney Rudacille reviewed the resolution.

SUGGESTED MOTION:

Motion to approve Resolution 24-26.
