AGENDA ITEM REPORT

DATE: August 24, 2026

SUBMITTED BY: Rene Garcia, Administration

ITEM TYPE: Resolutions

AGENDA SECTION: CONSIDERATION OF AND ACTION ON

SUBJECT: Resolution R2026-44 Authorizing Renewal of Liability and Property Insurance Coverages through Texas Municipal Intergovernmental Risk Pool (TMLIRP) for FY2027 and Authorizing the City Manager or Designee to Execute All Related Documents

BACKGROUND: Resolution R2026-44 authorizes the renewal of Liability and Property Insurance coverages with Texas Municipal League Intergovernmental Risk Pool (TMLIRP) for FY27, in the amount of \$291,634.00. This is an increase of 1.3% from FY26.

98% of Texas Cities make up the membership of the Pool, and despite the modest increase this year, staff recommends renewal with TMLIRP due to their vast expertise in local government loss prevention/risk management and overall strength of the Pool. TMLIRP offers live and virtual training resources, legal advice and safety/risk assessment at no additional cost.

Financial Impact: \$291,634.00 (\$141,239 for Liability and \$150,395 for Property) which is included in FY27 budget.

SUGGESTED ACTION: Staff recommends adoption of Resolution R2026-44 authorizing renewal of Liability and Property insurance coverages through Texas Municipal Intergovernmental Risk Pool (TMLIRP) for FY2027
