AGENDA ITEM REPORT

DATE: March 10, 2026

SUBMITTED BY: Krystal Hasselmeier, Planning

ITEM TYPE: Agenda Item

AGENDA SECTION: CONSIDERATION OF AND ACTION ON

SUBJECT: Resolution R2026-12 Adopting the Parks, Trails, Greenspace & Facilities Master Plan 2026-2031 and Authorizing the Filing of Said Master Plan with the Texas Parks and Wildlife Department in Austin, Texas, and Establishing an Effective Date

BACKGROUND: The City of El Campo, Texas City Council adopted the Parks Master Plan 2021-31 by Resolution R2021-31 on 11/22/2021. At the time of this adoption, some information required for the City of El Campo's Gold Scenic City status designation, which supports the Keep El Campo Beautiful efforts, were removed.

Planning Director & KECB Staff Liaison has updated the Parks Master Plan 2021-31 to add the required Scenic City information back into the text and reformatted the document to reflect the design & formatting for the upcoming Comprehensive Plan, Unified Development Code, EC Design Manual, and EC Development Regulations under the new title of "Parks, Trails, Greenspace & Facilities Master Plan 2026-2031".

This revision does not include any major changes to existing goals, as this is only an internal update to meet the requirements for the Gold Scenic City status for the Keep El Campo Beautiful board to continue receiving these benefits for beautification efforts. These plans are typically updated every 10 years and are recorded with Texas Parks and Wildlife Department.
