AGENDA ITEM REPORT

DATE: May 11, 2026

SUBMITTED BY: Courtney Sladek, Administration

ITEM TYPE: Resolutions

AGENDA SECTION: CONSIDERATION OF AND ACTION ON

SUBJECT: Resolution R2026-21 Approving an Extension of the Wastewater Service Agreement with Brothers Vacuum and Trucking Services LLC Expiring May 11, 2027; and Authorizing the City Manager to Execute Said Agreement

BACKGROUND: In October 2024, the City of El Campo entered into a Wastewater Service Agreement with Brothers Vacuum and Trucking Services LLC for the temporary disposal of pretreated wastewater into the City's wastewater system. The agreement was approved through Resolution No. R2024-63 and outlines service terms, compliance requirements, and fee structures.

The agreement is set to expire on May 12, 2026, included in the packet is a one-year extension under the same terms and rate. Staff recommends approval of the extension to maintain service continuity and oversight.

As a reminder, the City charges \$2.43 per thousand gallons of pretreated wastewater accepted under this agreement. Continuing the agreement will allow for uninterrupted service, continued revenue, and protection of the City's wastewater infrastructure.

The attached Resolution R2026-21 authorizes the City Manager to execute the contract extension on behalf of the City.

SUGGESTED ACTION: Approval of the contract extension with Brothers Vacuum and Trucking Services LLC and adoption of Resolution R2026-21 authorizing the City Manager to execute the extension on behalf of the City.
