AGENDA ITEM REPORT

DATE: September 8, 2025

SUBMITTED BY: Rene Garcia, Administration

ITEM TYPE: Resolutions

AGENDA SECTION: CONSIDERATION OF AND ACTION ON

SUBJECT: Resolution R2025-44 Authorizing Renewal of Property and Liability Insurance Coverages through Texas Municipal Intergovernmental Risk Pool (TMLIRP) for FY2026 and Authorizing the City Manager or Designee to Execute All Related Documents

BACKGROUND: Resolution R2025-44 authorizes the renewal of Property and Liability Insurance coverages with Texas Municipal League Intergovernmental Risk Pool (TMLIRP) for FY26, in the amount of \$287,847.00. This is an increase of 8% from FY25.

98% of Texas Cities make up the membership of the Pool, and despite the increase this year, staff recommends renewal with TMLIRP due to their vast expertise in local government loss prevention/risk management and overall strength of the Pool. TMLIRP offers live and virtual training resources, legal advice and safety/risk assessment at no additional cost.

Financial Impact: \$287,847.00 (\$145,414 for Liability and \$142,433 for Property) which is included in FY26 budget.

SUGGESTED ACTION: Staff recommends adoption of Resolution R2025-44 authorizing renewal of property and liability insurance coverages through Texas Municipal Intergovernmental Risk Pool (TMLIRP) for FY2026
