

CITY OF KINGMAN COMMUNICATION TO COUNCIL

TO: Honorable Mayor and City Council

FROM: Tina Moline

MEETING DATE: October 21, 2025

AGENDA SUBJECT: Approve and Award Bids for Opioid Settlement Grants

SUMMARY:

On July 1, 2025, the City of Kingman opened its first Opioid Settlement Grants formal solicitation, which provides funding to Kingman-based non-profit organizations, school districts, and incorporated public entities that are capable of providing and supporting opioid abatement strategies. The grant request for proposals remained open for 51 days, officially closing on August 20, 2025

During the proposal window, City staff received six proposals. However, only five of the proposals met all required elements:

- Rivyve Behavioral Health, Inc
- Cornerstone Mission Project, Inc
- Hope Lives-Vive La Esperanza
- Terros Health
- Mohave Substance Abuse Treatment and Education Prevention Partnership (MSTEPP)

A five member evaluation committee, comprised of three city staff and two outside agency representatives, discussed and scored each proposal based on the criteria outlined in the grant program guidelines, which included overall experience, target populations/reducing health disparities, and strategic thinking/planning approach. During the discussion the committee had some follow up questions from a few of the proposers before scoring could be finalized.

Based on the responses and total scores, staff is recommending the following awards with amounts be made to:

1. Rivyve Behavioral Health, Inc - \$100,000
2. Cornerstone Mission Project, Inc - \$97,075
3. Hope Lives-Vive La Esperanza - \$25,000
4. Terros Health - \$25,000

5. MSTEPP - \$25,000

FISCAL IMPACT:

There will be a fiscal impact of \$272,075 to the Opioid Settlement Monies Fund over a 2-year period.

Note: These monies were received as part of the nationwide opioid settlement and are required to be spent on opioid abatement strategies.

STAFF RECOMMENDATION:

Staff is recommending approval and award to Rivyve Behavioral Health Inc, Cornerstone Mission Project, Hope Lives, Terros Health, and MSTEPP
