

## **CITY OF KINGMAN COMMUNICATION TO COUNCIL**

**TO:** Honorable Mayor and City Council

**FROM:** Jamie Curreri

**MEETING DATE:** March 3, 2026

**AGENDA SUBJECT:** Approval of Residential Crack Seal Application

---

### **SUMMARY:**

This item is for consideration and approval of additional resources to complete the crack seal application on approximately 130 lane miles of City streets in District 5. To maintain the expedited residential street schedule, a second crack-seal machine has been rented, and two crews are operating continuously; however, additional manpower is needed to complete the work by the projected April completion date.

Savings from the previous chip seal cycle will cover the expense of this proposal, and the remaining cost can be absorbed within the long-term fund balance without negatively impacting the street maintenance program. The fiscal impact for this project will be \$267,500 and will be paid from the Highway Users Revenue Fund (HURF).

### **FISCAL IMPACT:**

The fiscal impact for this project will be \$267,500 and will be paid from the Highway Users Revenue Fund (HURF).

### **STAFF RECOMMENDATION:**

Staff Recommends Approval

### **SUGGESTED MOTION:**

Motion to approve crack seal application for residential districts 4 and 5.
